Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$0 individual / \$0 family	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible ?	Yes. Preventative care , generic preventative drugs and \$0 Copay Telemedicine services are covered.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventative services without cost-sharing and before you meet your deductible . See a list of covered preventative services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	N/A	There is no out-of-pocket limit is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit ?	Premiums , balance-billing charges, and health care this plan doesn't cover.	This plan does not have an out-of-pocket limit on your expenses.
Will you pay less if you use a network provider ?	Yes. See www.Findvaultproviders.com or call 1-866-244-7796 for a list of network providers.	This plan uses a provider network . In office services are only covered when you use a provider in the plan's network . If you use an out-of-network provider , you will likely receive a bill from a provider for services (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	Specialist services must be provided by an in-network provider, per visit co-payment will apply.

All copayment and coinsurance costs shown in this chart are after your deductible has been met if a deductible applies.
